
Our New Zealand Symphony Orchestra Partnership

We are delighted to announce that as of June 2017 we have become a Concerto Partner of the New Zealand Symphony Orchestra. Now in its seventieth year, the NZSO is a truly world class national orchestra, consistently blowing away audiences' expectations with its marvellous performances. In looking for a partner in the arts, we wanted an organisation that would resonate as very special, national, and with an ability to inspire both young and old. The NZSO is a perfect fit and we look forward to a long relationship.

Please visit the [NZSO website](#) to check out the 2017 Season, and help us to support the Orchestra. And if you are keen to attend a particular concert with us, do let us know as we would be keen to host you!

We are also pleased to announce that Greenwood Roche specially sponsors Sam Jacobs, Section Principal Horn. Sam is an extraordinary French horn player, and has just recently returned from the UK where he was Principal horn with the Royal Philharmonic Orchestra in London and is seen as one of the rising future leaders of the Orchestra.

We have recently helped the NZSO move to temporary new Wellington CBD premises, and will be assisting it later in the year with the new Wellington Music Hub, in conjunction with Wellington City Council and Victoria University.
