
Greenwood Roche Young Achiever of the Year Award 2018

We are pleased to continue to support the Property Council Southern Excellence Awards which recognise and celebrate excellence in property in the South Island. Christchurch Partner, Ranui Calman had the honour of presenting the Greenwood Roche Young Achiever Award as part of the event on 5 October 2018.

Congratulations to Nick Flack of Christchurch International Airport, this year's winner of the Greenwood Roche Young Achiever Award. Nick is the Asset Planning and Maintenance Manager at Christchurch International Airport, where he has achieved outstanding performance and has made a significant contribution to the planning, construction and on-going maintenance of the Airport's infrastructure assets. He has shown focus, dedication and commitment, as well as grit and determination when faced with difficult situations. He models a collaborative work style that brings together the organisation to translate strategy into action and has the promise of being a future industry leader.

Nick is currently part of the Strategy Action Leadership Group, which is responsible for turning corporate strategy into action. He has a passion for commercial, operational and master planning as well as for driving long lasting solutions. He creates clarity of purpose for his teams, articulating the Airport's property and asset vision and then translating that vision into projects and maintenance plans.

The judges commented on Nick's determination and motivation to achieve his goals as evidenced by undertaking full time study to complete his Masters in Logistics and Supply Chain Management, whilst also working full time. He has also been an active member in South Island Logistics Forums, organised personal mentors to help him achieve his goals and completed leadership training, which he has been able to put into practice as part of the Senior Leadership Team. The work Nick has been involved in has made a significant contribution to the whole of the South Island and the judges were impressed by how Nick sees the big picture, is future focussed and pushes boundaries to achieve his goals. Nick embodies what this award seeks to recognise and celebrate and is without a doubt a leader of the future.

Congratulations Nick, we look forward to working with you and seeing where your career develop.
