
Ministry of Business, Innovation and Employment – New National Office Redevelopment

At over 20,000m² of space, the redevelopment of a landmark Wellington building has provided the New Zealand Government's largest Ministry with a substantial new National Office.

Greenwood Roche has successfully assisted the Ministry for Business, Innovation and Employment in the redevelopment and lease of MBIE's new National Office premises in Wellington.

Greenwood Roche has continued to provide advice to MBIE throughout the course of the redevelopment, including assisting with the sale of the building to an NZX-listed property investment company during the project.

MBIE's new National Office is one of a number of substantial redevelopment projects within Wellington on which Greenwood Roche has acted.
