
Mitre 10 Support Centre

Greenwood Roche assisted Mitre 10 with its new head office project in Auckland

Greenwood Roche acted for Mitre 10 in respect of the procurement and engagement of the contractor and consultant team for its new head office and support centre in Albany.

The facility will comprise approximately 7,000 m² at 65-67 Corinthian Drive, Albany, Auckland. It is being developed by Mitre 10 itself and is due for completion in late 2016.

The Greenwood Roche team for the project included partner Barry Walker and special counsel Adrian Doherty.
